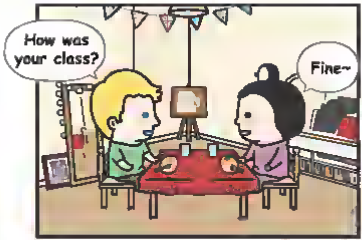
The two of us always get to the class very early so we've talked many times already.



... I started to take an English course at the college.

There are students from many different countries.

One of them is a tall and thin lady called Shuang from Beijing in China.

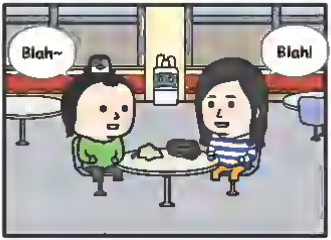
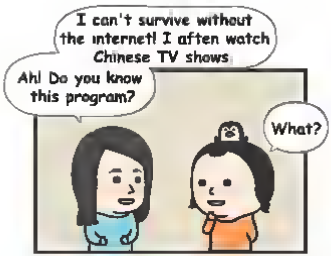
My new friend Shuang

A little while ago,...



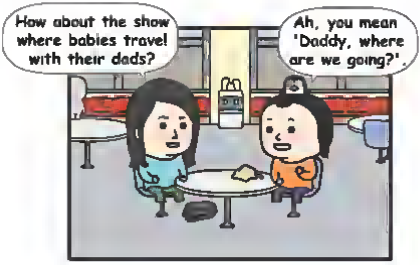
I think we communicate very well because both of us are from Asia



Then one day,
we talked about TV shows.

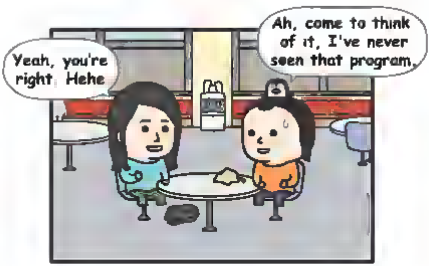
*Running Man is a popular Korean TV show

Yeah! Ha ha. Isn't it really fun?
Ah... I don't watch that show. Ah! I saw it once when Jackie Chan was the guest!!

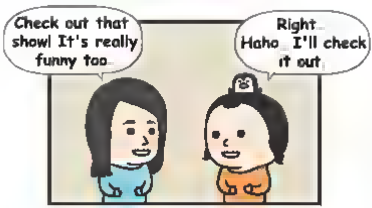


How about the show where babies travel with their dads?
Ah, you mean 'Daddy, where are we going?'.

I've seen all of the episodes of both shows so far. Ho ha.
Wow! Ho ha. Ah, I heard that there will be a Chinese version as well.

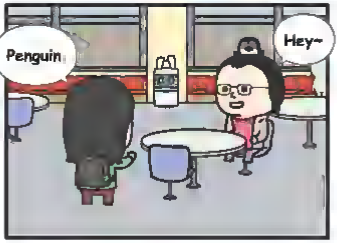


Yeah, you're right. Hehe
Ah, come to think of it, I've never seen that program.



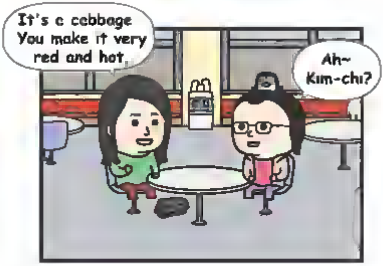
Ha ha ha.

I felt like Shuang was
my hometown friend at that moment.

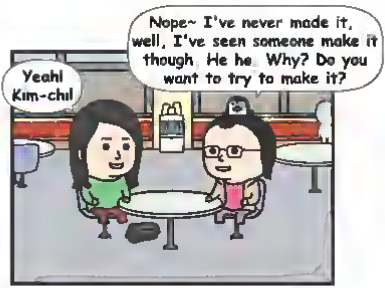


Then one day,
we were chatting in the foyer
again before the class.

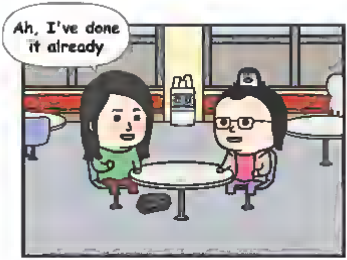
Shuang asked me.



It's c cabbage
You make it very red and hot,
Ah~ Kim-chi?



Nope~ I've never made it, well, I've seen someone make it though. He he. Why? Do you want to try to make it?
Yeah! Kim-chi!



Ah, I've done it already

I feel that we will be good friends together.
